Mr. Geary:

In reference to your letter dated 1/15/60, please be advised that your report on the reception of WTOA is accurate! Program log also coincides with selections played the evening of 1/14/60, that you have listed.

Our antenna is 300' (ft.) - and our transmitter power output is 14,500 watts. (Contrary to mention on above letter-head)

We thank you for your interest in WTOA, and hope you enjoy our programming in the future. Our music "is designed - with - you in mind"

I remain,

Sincerely,

A handwritten signature in blue ink, appearing to read "Phil Stout", is written over the word "Sincerely".
