Dear Mr. Geary:

This acknowledges with many thanks your letter of February first, describing your reception of WFIL FM.

We are delighted to receive this letter inasmuch as it comes from a location previously reporting sporadic reception. For your information, our effective radiated power is 6.3KW and the antenna height is 780 feet above ground.

It is with pleasure that we confirm your reception of the program as outlined in your letter and hope that you will have continued success in receiving our signal and enjoying our programs.

Sincerely yours,

WFIL-AM-FM-TV
