Mr. Kermit Geary
R.D. 2, Box 298
Walnutport, Pennsylvania

Dear Mr. Geary:

Thanks very much for your letter of September 3, 1962 reporting reception of WGMR-FM in Walnutport. This is the most distant report we have received. We have checked your report against the official log of WGMR and find it is correct.

WGMR's antenna is located on Rattlesnake mountain 22 miles northeast of Tyrone and 11 miles northwest of State College, with a tower height of 89 feet, atop a 2549 foot mountain, and a height of average terrain of 978 feet, and ERP of 3.3 kw.

Please let us know if you receive our signal again.

Thanks very much for writing.

Sincerely,

Cary H. Simpson
