Dear Mr. Geary:

Thank you so much for your letter of May 3, and your interest in WITF-FM.

April first was our first broadcasting date and we have not yet made broadcasting verification cards. We plan to do this in the very near future and will send you one as soon as possible.

Our power at the FM Station is 15KW. We also maintain the WITF-TV Station. Our antenna is mounted on the TV tower which is located in Blue Mountain. (right outside of Harrisburg)

Enclosed you will find a map of our coverage area which may interest you.

Your report of our station's log is accurate.

Your letter was very interesting and a pleasure to receive. If you ever have anymore interesting information, please feel free to write.

Sincerely,

Larry Winemiller
Chief Engineer
