Dear Mr. Geary,

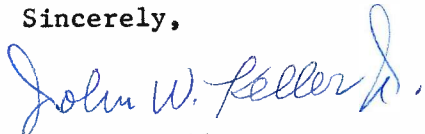

This letter is to confirm your reception of  
WKOK-FM on November 9, 1975, from 2:47 p.m. to 3:13 p.m.,  
E.S.T.

I am sorry for the delay in sending you a letter of  
confirmation. Since 1975, WKOK-FM has changed call letters  
to WQKX, changed radiated power from 4400 watts horizontal  
to 16,000 watts H & V.

It was nice to meet you in person Wednesday, March  
28, 1984, at our transmitter site.

Again, thank you for your interest in our station.

Sincerely,

John W. Keller, Jr.  
Vice-President Engineering
