Dear Mr. Geary:

Thank you for your correspondence dated January 23rd of this year. It is with great pleasure that we confirm your data and welcome you as a WWDB listener.

WWDB broadcasts from a tower located in the Roxborough section of Philadelphia, 2600 ft. above sea level. Tower height is 1143 ft. Effective radiated power is 12 kw horizontal and vertical on 96.5 megacycles by authority of the Federal Communications Commission. Studios and offices are located at 3930-40 Conshohocken Avenue.

Again, thank you for your most informative report.

Cordially,

A handwritten signature in blue ink that reads "Rick Friedman".

Dear Sir:

Acknowledgement is made of your letter under date of January 23rd, and also verification of the reception of WWDB, 96.5.

As stated in your letter, the broadcast was heard as same. We appreciate your interest in WWDB-FM.

Kindly keep tuned to 96.5 for bigger and better things to come.

Thanking you, I remain

Cordially,

Robert B. Hoy *R.B.*
