Dear Mr. Geary:

Thank you very much for your report of reception of WEPM-FM On Sunday, July 23, 1972 from approximately 12:05 to 12:13 AM.

This letter will serve as confirmation of the accuracy of your rather detailed report.

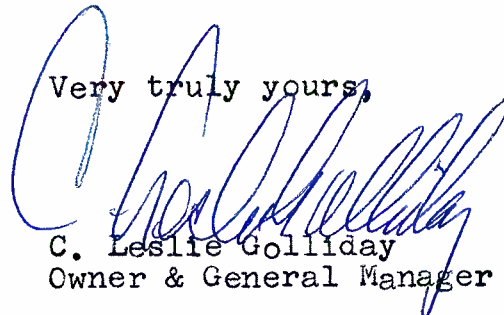

Of particular interest is the fact that you were using only the built-in antenna on your receiver. The signal strength must have been quite good.

So far this summer we have received reports of reception of WEPM-FM from Baton Rouge, La. and Des Lacs, N. D.

WEPM-FM is, of course, a maximum power Class B FM station.

Your kindness in letting us know about your reception is greatly appreciated.

Very truly yours,

C. Leslie Golliday
