Dear Mr. Geary:

We have your letter of June 21, 1960 reporting reception of WCOD (?) from 9:15-9:30 AM, EST, Sunday, June 19. Our logs show that a religious program, "The Little Country Church" was broadcast during the period from 9:00-9:30 AM and they always sing several Hymns during the program, therefore we feel certain that WCOD was crowding WCAU-FM with a good tropospheric signal.

We have been receiving several reports of reception from the Northeast during the past several days and it is hoped that you will again be able to receive our stations.

Sincerely yours,

FM Station WCOD
