Dear Mr. Geary;

It is my pleasure to confirm your recent reception of WVHR on April 21, 1977 from 1:30½ to 1:59 A.M. E.S.T. I also wish to complement you on your very detailed and accurate report, which was a joy to read. We run 17 KW transmitter output and 50 KW ERP, from a 400-foot tower, which is only a few feet above sea level.

I wish you good DX, and if I can be of assistance again, please let me know.

Sincerely,

Larry Davis
