Sir;

Received Your letter and checked all our transmissions and find them all O K Nov 30, Dec 2, Dec 5, dec7, and Dec 10 1943 thanks for the report. As for our outfit we are using 50 watts composite job 12A oscillator 1st Buffer 10 2nd Buffer 865 final 203 speech 2-56s, 2-50s into a pair of 203s as modulators and using a Shure double button mike. This was built in 1930 and has been in operation 24 hours a day since we also have a spare National 600 transmitter and a 25 watt portable in a car .
