My dear Mr. Geary:

I appreciate very much your letter of March 25 stating that on Friday evening, March 24, 1944, between 10:00 and 11:29 P.M. you were able to listen to our Police broadcasting station, WPDV.

I have checked the log for that evening and I find that the information you furnished regarding the calls going out over our station is correct. I am delighted to have this report and in the future if you are able to hear our signals as audibly as you were on this occasion I would appreciate your dropping me a card and letting me know of same.

Sincerely yours,

Walter F. Anderson
