Dear Sir,-

Your good letter was received this date which was highly appreciated, I sure was suprised to know that I had a listerner so far away, And was further suprised to know that old W.K.V.T. went out so far.

Apparently your receiving set is in a # 1 condition to get this station.

Let me hear from you just any old time you feel like it.

With best wishes for your continued success with your Radio.

Very truly yours,

Charles Large Jr.
