Dear Sir:

I am sorry that i have been so slow of Ackknowlegeing
your letter of the reception of station WCHD
it was a pleasure to read your and the report of the
reception of the station

all of the signals you had listed in your letter
was correct WCHD is a 100 watt station it has a
flat top antenna about 90 ft.longe runing east and west
and about 60ft.high our station is on the bottom floor
of a three story bulging our frequency is 2490 wich you know

we have only two operators and operate from 12:00.N
untill 11:00.Pm.
hope you continue to hear our station and will be
glad to hear from you of it reception

Very truly yours,
