CURACAQ October 16, 1957.

Subject:

Enclosures:

Dear Sir,

This is to acknowledge receipt of your letter of October 84 1957. The data of the station you heard are as follows.

A Philips 10 kw single sideband transmitter, operating on a frequency of 20015 kcs and beamed to Holland. Callsign PJL20.

This transmitter is used in our radiotelephone circuit and transmissions are switched to privacy as soon as contact is established.

Thanking you for your kind letter, I remain,

Yours very truly,

O.L. Labega Acting Director of the Government Radio- and Telegraph Administration
