

Wireless Station

Stonyhill

Kingston

Jamaica

20th March 1936

Dear Sir,

In reply to your letter of

*Nov 17 '32*

I wish to thank you for the information contained and I confirm the Reception Log. VRR4 is to be used on the Radio Telephone Circuit Jamaica to Miami.

The transmitter is crystal controlled and has 300 watts in the aerial.--

Yours faithfully,

*E. Mockett*

Engineer in Charge.
