

An aerial photograph of a radio station. A tall, lattice-structured tower stands prominently in the center-right. In the foreground, there are several buildings, including a long, low white structure with a flat roof and a smaller building with a gabled roof. The station is situated on a grassy area with some trees. In the background, a wide river or bay is visible under a clear sky. The text "THANK YOU FOR QSL" is superimposed in white, hand-drawn letters in the upper left quadrant.

THANK YOU
FOR QSL

A circular logo featuring a stylized wheel or gear design with multiple spokes radiating from a central point. The logo is partially obscured by the text below it.
