

UNITED STATES COAST GUARD

ADDRESS REPLY TO  
COMMANDING OFFICER  
NORFOLK RADIO STATION  
AND REFER TO  
RFD #1, London Bridge, Virginia,

16 October, 1946

Mr. Kermit Geary

Dear Sir:

I am in receipt of your letter dated 8 October, 1946 which was received at this unit with great pleasure, and I wish to express our appreciation to you on behalf of all hands at this station.

It is a great pleasure to know that we are putting out a good readable signal up that way and evidently you must have very good reception in that locality along with your excellent receiver and hook up.

I have checked our files and the hurricane that was broadcast by this unit was as your copy shows.

We are located about two miles from Oceana, Virginia and would appreciate any further reports of good or bad reception.

very truly yours.
