Dear Mr. Geary;

We wish to thank you for your very nice report of the reception of our special radio station W K H U in Atlanta and W K H T in Birmingham. We take pride in acknowledging these reports.

We operate three 250 watt stations on 2726 kilocycles for emergency telephone communications. The third station is located in Wetumpka, Alabama. This station operates only during the week days. We also operate portable mobile units in connection with this station.

Thank you again for fine letters. We will appreciate hearing from you again soon.

Very truly yours,

Lucien C. Bomar: Radio Engineer.
