Dear Sir,

We beg to confirm receipt of your kind letter of September 1, 1956 with the interesting informations and can inform you, that the received test was transmitted by our DFJ91 on 9810 kcs. of our sending center Frankfurt-Bonames. In the present case we used a 20 kW ssb-transmitter radiating on a rhombic antenna directed to New York. We hope, that these informations will be of interest to you and are also sufficient.

Yours sincerely

For the President

Mut.
