SUBJECT: YOUR RECEPTION REPORT OF RADIO SOUTHERN HIGHLANDS

Thank you very much for sending us the reception report of Radio Southern Highlands.

We are happy to hear from you that this station can be monitored on a frequency of 3.275kHz in the 90 meter band on your Hammarlund HQ-180 communications receiver.

We approve your reception report as the listed broadcasts which you heard them in your listening on 14th March, 1980 correspond to this station's programme schedule prepared for that date.

Once again thanks for your favourable comments of Radio Southern Highlands and hope you'll continue to have success in your short-wave listening.

I hope this letter plus the attached Q.S.L. Card will confirm your reception report.

Yours faithfully,

  
RONALD KONDUN
