Dear Sir,

Thank you very much for your detailed reception report on our broadcast of September 13th, 1956. Much to my regret I am not able to send you now our verification card as an order has been placed for a new design. I am sending you our new card as soon as it is ready.

I enclose herewith the program-schedule of our broadcasts to North America and I hope that you will keep on listening to us. I shall be glad to have some more reception reports from you and to answer any question you may have about life in this country.

With the best of wishes from Radio Sofia, I remain,

Yours sincerely: *T. Tzankoff*  
Head of the American Section.
