

# Germany Calling

via the **D. J.** Shortwave Stations

**Haus des Rundfunks (Broadcasting House), Berlin**

Dear Radio Friend:

We are much obliged for your communication of 11/3 1937 reporting reception of broadcast from our station on 11/2. The data given by you have been checked by our log and we take pleasure in verifying that what you then heard was from the program of our shortwave transmitter on D J P.

We should appreciate any further reports on the receiving conditions in your district, as well as any suggestions or criticism which you may care to make with regard to the program. It helps us in our work, and it is pleasant to keep in touch in this way with our overseas audience.

We would also appreciate if you would invite your friends to listen in to our program. Full details about our transmissions as well as printed monthly program schedules are available for all zones upon request and are sent free of charge.

We hope that you will continue to tune in to our station for many more hours of pleasant entertainment and we remain with best wishes for further successful logging,

Yours very truly,

**Deutscher Kurzwellensender.**
