

This is to confirm that
you did receive CK-2 WDCQ
as stated.

James Foley
Ala Public T.V.
Dir. Broadcast
ENLP.

W D I Q (TV), Channel 2;

Tuesday evening, July 5, 1988,

6:00 to 8:00 P.M., Central Daylight Time:

Shortly before 6:00 P.M., a caption was seen for a "Florist".

While my hastily-written notes are indistinct, it may have read "The Superlative Florist" (the middle word is in question).

The above was followed by the printed slogan: "Something's Happening Here".

6:00 P.M., Announcement:

"This is Alabama Public Television."

6:00 P.M., Channel 2 News, with announcement of underwriting sponsors which included an Equipment Company, Kidder-Peabody, G.E. Capital, A.G. Edwards, and Contributors to Public Television.

(An interview with Dr. Earl Fox, State Health Officer, was seen between 6:45 and 7:00 P.M. I am not certain that this was WDIQ.)

7:00 to 8:00 P.M., The MacNeil/Lehrer Newshour.

7:59 P.M., Announcement that funding was underwritten by a grant from the Greater Birmingham Foundation.

Announcement of a program on Saturday, July 9th, at

7:00 P.M. with The Smothers Brothers.

7:59½ P.M., "Deltacom" announcement.

A schedule was shown of 3 programs to follow:

8 P.M. Nova

9 P.M. P. O. V.

11 P.M. St....th (my notes are indistinct).

8:00 P.M., Announcement:

"This is A P T, Alabama Public Television, Channel 2 in Dozier."

8:00 P.M., "Nova", with underwriting sponsors including Johnson & Johnson, and the bakers of "Oreo" cookies.

Please compare the above data with your programming on the evening of Tuesday, July 5th. While some items may have come from an interfering station, I trust that there is sufficient information to prove that I was tuned to APT Channel 2. If so, your confirmation of my reception of WDIQ, Dozier, will be greatly appreciated. I would also like to know the power output of the transmitter and the height of the antenna.

Best wishes to you, sir, and to Alabama Public Television for the continued success of your educational TV system. I hope to enjoy the reception of your signal again in the future during a similar period of E-layer skip. Looking forward to receiving your reply in confirmation of my reception of WDIQ, Channel 2, for which I thank you, I am,

Very truly yours,

Kermit Geary
