

This is to confirm your reception of WESH-TV on May 31 1982  
We are presently operating with a visual power of 100 KW, ERP, from a  
1,740 foot high circular polarized antenna system located at Orange City,  
Florida.

We have studios in both Daytona Beach and Orlando, feeding program  
material to the transmitter site via microwave systems operating at 2GHz  
and 7GHz.

Thanks for your interest!

73!
