Dear Mr. Geary:

Thank you for your letter reporting the reception of our station and the log of programs that you saw. You did, in fact, receive WBRZ-TV, Channel 2, although our timing was a few minutes different than yours. Our log showed the following:

05:15:30pm Baton Rouge General Hospital Promo  
05:16:30pm Oprah Winfrey Promo  
05:17:00pm Magnum Promo  
05:25:20pm Hollywood Squares Promo  
05:25:50pm Baton Rouge Teleport Promo  
05:27:05pm Southern Siding/July Package Commercial  
05:27:35pm MASH Promo  
05:28:05pm For Kid's Sake Promo  
05:30:00pm - (through)  
05:58:56pm ABC News/World News Tonight  
05:58:56pm Goudchaux's Commercial  
05:59:56pm 2-In Promo

As far as the commercial of "Louisiana's Largest", it must have been Louisiana's largest siding dealer.

Our audio output is 15,000 watts and video 100,000 watts. Our antenna at the transmitter is 1,749 feet in height.

We are pleased that you received our signal and that you took the time to let us know that we were received in the Pennsylvania area.

Sincerely yours,
