FOR MONTREAL

CFRN's BROADCAST HOUSE, located just west of Edmonton, is a landmark on the Jasper Highway. One of the most modern business complexes in Canada, it houses the three divisions of the Sunwapta Broadcasting Company: CFRN-AM-1260 Kc; CFRN-FM-STEREO-100.3 Megs; and CFRN-TV-Channel 3. The Indian motif is carried throughout the station's decor, and features displays of authentic Indian and Eskimo art.
