Dear Wayne ,

Thanks for the report on your reception of CKSA Radio 1080 , on October 25, 1981. What you were listening to , was our Sunday Classics, 11:00 P.M. til 12:00 A.M. (When we sign -off -- Our only time off Air). Other times - Monday from 6 A.M. til Sunday Midnight we are on Air 24 hours a day. Our Music format is "Solid Gold" (With the Sunday Classics the exception).

Our Studio's are located in downtown Lloydminster, Alberta. Lloydminster being Canada's only border city has half the city in Saskatchewan - the other half in Alberta. You will find enclosed with this confirmation letter - some CKSA Radio memorabilia. Thanks again for the report and Good Luck DXing.

Sincerely

Ms Jan Smith
