P.O. Box 6021  
Hot Springs, AR 71902

Dear Sir,

I am very pleased to report reception of KBHS on December 23, 1995 on 590 kHz between 7:04 AM and 7:09 AM CST. I would like to offer the following program details as proof of this reception:

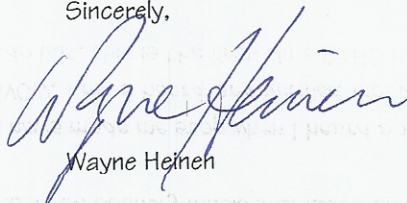

7:04 AM Tune into End of Local News then weather  
7:07 AM "It's 7:07 at KBHS and "Blue Christmas" by Elvis  
7:09 AM Country music and faded under WOW Omaha

Your local news made me stop when I heard a mention of an Arkansas State Highway, I knew it wasn't usually dominant WOW. I have heard and verified most of the Hot Springs stations over the last 20 years of DX ing from Colorado but, this is the first time KBHS has been entered in my log.

Equipment in use while listening to KBHS consisted of a R-390A/URR Army surplus receiver with a 4 box loop antenna. By trade I'm a real estate appraiser and have been a BCB DX er since 1964. Please find enclosed return postage to facilitate your reply.

If my report is found correct I'd appreciate a verification from KBHS to add to my collection from over 1500 BCB stations. Thank You in advance for your time and consideration in answering this report and helping me with my hobby.

Sincerely,

  
Wayne Heinen
