Aurora, Co.

You are correct in your receiving of KHOZ. On March 8, Harrison was in the state basketball tournament. Checking our log of the ball game shows a timeout and our local spots playing at the time you reported hearing them. Enclosed you will find two KHOZ stickers. Thanks for your letter. Have heard from other people in Colorado, back in January from Wheat Ridge.

If there is anything else you need you can e-mail me at address below.
