Dear Wayne:

I apologize for the late reply to your letter dated August 10, indicating you had received KOKY in Colorado Springs.

The programming indicated in your letter was definitely KOKY, and this will confirm that you were able to receive our radio station.

I worked at KVOR in 1959 and 1960 as well as a number of other markets in Colorado City near the Garden of the Gods, and this is probably our favorite city.

Thank you for your correspondence.

Sincerely,

RON CURTIS
