Dear Mr. Heinen:

Thank you for your letter and reception report dated November 30, 1997. This letter is sent to confirm your reception of KGME on 1360 kHz on November 30, 1997 at 6:27 PM MST.

Obviously, because other stations on our frequency normally override our signal we receive very few reception reports. I appreciate your taking the time to listen and send me your report. Best wishes in your continued DXing.

Sincerely,

A handwritten signature in cursive script that reads "Chuck Beck".
