Dear Sir,

I am very pleased to report reception of KHAC on October 25, 1989 on 880 kHz between 6:50 AM and 7:02 AM MDT. I would like to offer the following program details as proof of this reception:

- 6:50 AM Tune into Religious program Good News with Dr. Robert A. Cook
- 6:54 AM Faded till
- 6:58 AM Faded up with local news on KHAC and spot for a Car Dealer
- 7:00 AM ID as KHAC & K???-FM Sport for Unknown Motor Company followed by Bible Message for the Day then into network News
- 7:02 AM Faded out

Some interference was provided be KRVN in Lexington NE.

Equipment in use while listening to KHAC consisted of a WWII surplus Navy RBB-4 and a R-390A/URR Army surplus receiver with a 4' box loop antenna and a 100' long wire run through a phasing network. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply.

If my report is found correct I'd appreciate a verification from KHAC to add to my collection from over 1200 BCB stations. Also, if available any bumper stickers or station promo items to help decorate my "DX Den". Thank You in advance for your time and consideration in answering this report and helping me with my hobby.

Sincerely,

Wayne Heinen
