Dear Wayne,

We are very pleased to hear your reception in the Denver metro area, has been exceptional. Referring to KQNA 11:30 AM Radio Station.
The reference to BCD DX Hobby, And the The National Radio Club seems like an interesting service.

I' m sure Radio people all over have enjoyed through the years, all the different communication devices and new technology, to bring clearer reception to the nation. We thank you for the brochure , "The Broadcaster's Guide to D X", and your interest in our station.

Sincerely,

Mary Gutman
Station Assistant
