Dear Wayne,

This letter is confirmation of your reported reception of KUET AM 710 between 8:28 and 8:39 PM MST on October 4, 2002.

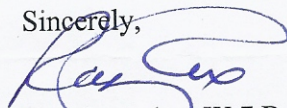

Your reported program entries during that time correspond to those on our program log for that time and date.

KUET is one of the newest radio stations in the country, having begun broadcasting on March 18, 2002. We operate with a daytime power of 22,500 watts with 3,900 watts at night. Our transmitter and seven-tower antenna array is in Black Canyon City, Arizona (34° 04' 48"N and 112° 09' 15"W) or about 35 miles north of downtown Phoenix. Studios and offices are in north central Phoenix.

Enclosed is a copy of our coverage map showing our day- and night-time patterns.

Thanks for the QSL, our first from Colorado.

Sincerely,

Ray Cox (ex-W 7 B F K)
