Dear Mr. Heinen:

Congratulations!

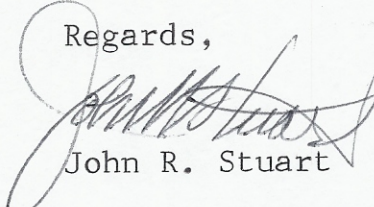

You have won this little Realistic AM portable radio for being among the first three in your state to report hearing KXEG.

We are broadcasting 1000 watts days, 250 watts night, using non-directional antenna, Harris MW-I Transmitter, and CRL audio processing.

We are thrilled to hear from you and so many others.

Please accept this radio as a token of our appreciation.

Regards,

John R. Stuart
