Dear Wayne:

Thank you for your "Reception Report". We are always interested in hearing from listeners in various parts of the world.

CFUN Radio was established in 1922. Our transmitter has a power of 50 kw, located in Delta, B.C., about 20km south-east of our studios. Our studios are located in central Vancouver.

We are pleased to inform you that the detailed reception report you sent to us concerning CFUN 1410 is correct.

Sincerely,

Edie Jarvis
