Dear Mr. Heinen,

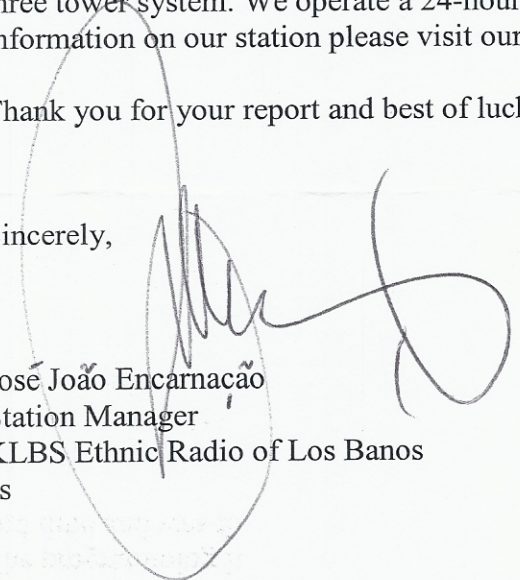

This letter will confirm your reception of KLBS on 1330 Khz between 11:00 PM and 11:02 PM PST on December 3, 2004.

The programming item you listed has been checked with our program log for that date and time and was found to be correct.

KLBS operates with a power of 500 watts daytime and 5000 watts nighttime. Our antenna pattern is non-directional days, while our nighttime pattern is directional using a three tower system. We operate a 24-hour, seven day schedule. If you would like more information on our station please visit our website at www.klbs.com.

Thank you for your report and best of luck in your DX endeavors.

Sincerely,

José João Encarnação
Station Manager
