General Manager
KXEX Radio
P.O. BOX 12223
Fresno, CA 98717

Dear Sir,

I am very pleased to report reception of KXEX on December 24, 1986 on 1550 kHz between 6:54 PM and 7:01 PM PST. Your signal was fair with interference from KKHI, most of the normal mid-west stations were curiously absent tonight. I would like to offer the following program details as proof of this reception:

6:54 PM Radar tracking of Santa Claus report
6:55 PM "En Fresno Esta es Radio Centro" & Mexican music
6:58 PM Spot with man & woman
6:59 PM Another Spot by woman
7:00 PM English jingle ID 1550 KXEX Fresno then Felice Novidad KXEX Radio Centro in Spanish & more Mexican Music

I heard KXEX on a R-390A/URR Army surplus receiver with a 4' box loop antenna and a 100' long wire run through a phasing network. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply and a brochure about BCB DX and the National Radio Club.

This is the second report of this reception to KXEX, evidently my first report never arrived or was mislaid. I would appreciate receiving a verification from KXEX radio to add to my collection of over 1100 cards and letters from stations on the Standard Broadcast Band. Thank you in advance for your time and consideration in answering this letter.

Sincerely,

Wayne Heinen
