TRENDFORMATION

77 Maiden Lane, San Francisco, CA 94108 • (415) 986-1260 • A Bonneville Station

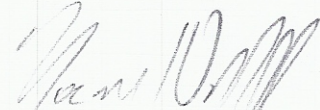

Dear Mr. Heinen:

Thanks for sending us your reception report regarding KXLR.

We can verify the program information you mention.

You heard the station just 3 days before management changed the call letters to KOIT-AM & FM and dropped the BBC programs for a "Lite Rock, Less Talk" format.

Thanks for your interest.
