RE: DX'ing of KYOS-AM, Merced, CA

Dear Mr. Heinen:

Per your request, this letter will confirm your reception of AM radio station KYOS on 1480 kHz between 5:47 AM and 5:55 AM PDT on September 30th, 1997.

The programming items and commercials you listed have been checked with our program log for that day and found to be correct.

KYOS operates with a power of 5,000 watts day and night. Our antenna pattern is non-directional in the daytime and directional mostly to the West and East at night using a three tower array. KYOS operates 24 hours a day, 7 days a week.

Thank you for your report.

Respectfully,

Edward G. Hoyt, Jr.
