Dear Mr. Heinen:

Thank you for your letter dated July 3, 1998.

This letter is a verification of the 1690 AM KAYK signal you heard on July 3rd.

KAYK is broadcasting 10,0000 watts daytime and 1,000 watts nighttime. It is being simulcast on KQXI 1550 AM; 10,000 watts daytime and 177 watts nighttime.

Just as a clarification; KQXI was broadcasting Christian programming and it was being simulcast on KAYK. With the sale of the stations to ABC, Inc. the Christian programming ceased on June 3, 1998, and Radio Disney debuted in the Denver area.

I'm sorry we haven't any bumper stickers or give-aways. Perhaps at a later date, Radio Disney will have something with KAYK on it.

Thank you for letting us know of the reception of KAYK 1690 AM locally.

Sincerely,

Julia Newton
