Dear John,

This letter will confirm your reception of Radio Station KBZS on 620 kHz between 4:23 and 4:30 PM MST on November 15, 1997.

The programming items and commercials you listed have been checked with our program log for that day and found to be correct.

KBZS operates with a power of 5000 watts day and 85 watts night. Our antenna pattern is non-directional. We operate a 24 hour, seven day schedule.

Thank you for your report and best of luck in your DX endeavors.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ken Pilling", with a large, stylized flourish at the end.
