Dear Wayne,

I am writing to confirm your reception of my radio station, KDMN 1450 kHz, on September 6, 1988. Your program details are correct to the letter for the date, and time reported.

We will be increasing our power as soon as the FCC grants the allowance, as we are currently at 250 watts. We will be going to 1Kw, and hopefully by the end of this month, as the FCC has posted a 9-27-88 cut off date for the increase.

If you are back in the Buena Vista area, I would like to invite you to the station. We are in the Buena Vista Square complex at 301 East Main.
