Dear Wayne:

This is to verify your reception of KDZA-AM at 1230 kHz. Your program details agree with our program logs for October 30, 1981.

Good luck in your effort to monitor and verification of the AM radio stations in Colorado. We're pleased that you were able to receive our signal in Colorado Springs given the circumstances of another radio station in your area with the same frequency.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Frank Provenza'. The signature is fluid and cursive, written over a light-colored background.
