Dear Sir,

I am very pleased to report reception of KJIM on October 1, 1989 on 1150 kHz between 12:48 PM and 1:00 PM MDT. I would like to offer the following program details as proof of this reception:

12:48 PM Rock Music  
12:50 PM Spot Spiritual Awareness Expo, then Promo  
Dr. Leon Kelly Fri @ 4pm on Fire Radio  
1150 and more rock music  
12:54 PM More rock music  
12:59 PM Promo "Bridge the Gap with Monaco"  
Sun-Fri 9pm-10pm on KJIM Fire Radio 1150  
1:00 PM Promo S.O.S. group then FIRE Radio 1150  
KJIM, Englewood ID and USA Radio News

The purpose of this report is obviously to add the KJIM call to my collection on the 1150 frequency. I have noticed that as KJIM I get much less slop on adjacent channels as I used to when KRZN was on 1150, even though both stations play rock type music.

Equipment in use while listening to KJIM consisted of a R-390A/URR Army surplus receiver with a 4' box loop antenna. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply.

This is the second report of this reception to KJIM, evidently my first report never arrived or was mislaid. I would appreciate receiving a verification from KJIM radio to add to my collection of over 1200 cards and letters from stations on the Standard Broadcast Band. Thank you in advance for your time and consideration in answering this letter.

Sincerely,
