KJJD Radio

Dear Sir,

I am very pleased to report reception of KJJD on November 12, 2002 on 1170 kHz between 3:55 PM and 4:00 PM MST. I would like to offer the following program details as proof of this reception:

3:55 PM Hispanic Music with a man announcer

4:00 PM English "You are listening to KJJD from Windsor Colorado serving Wyoming, Colorado and Nebraska" then the same spoken in Spanish with the additional slogan "La Ley"

I recently checked my QSL collection and found that I had never written to KJJD, I have verifications from most every AM station in Colorado. My previous 1170 verifications from Windsor include KUAD in 1977, KSGR in 1982 and KVVS in 1988. My Colorado AM verification collection can be viewed on my web site at:

<http://hometown.aol.com/nrclog/index.html>

Equipment in use while listening to KJJD consisted of an R-390A/URR Army surplus receiver with a 4' box loop antenna. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply and a brochure about the BCB DX hobby and The National Radio Club.

This is my second report concerning this reception. Perhaps the first was never received or misplaced. In any event, if my report is found correct I'd appreciate receiving a verification from KJJD to add to my collection from over 1500 BCB stations. Thank you in advance for your time and consideration in answering this report and helping me with my hobby.

Sincerely,

Wayne Heinen
