Dear Wayne;

Thanks for your letter and yes indeed we were running the program you mentioned at the time stated. At the time received we were on night power(500Watts directional).

I've enclosed a bumper sticker as requested. I should mention that we just started simulcasting with the AM signal so the sticker indicates (as does the letterhead) FM only.

Thnaks for writing.

A handwritten signature in blue ink that reads "John Hudson". The signature is written in a cursive style and is positioned above a horizontal line.

John Hudson Program Director KKCS AM/FM
