Dear Sir,

I am very pleased to report reception of KKYD on September 5, 1994 on 1340 kHz between 10:50 AM and 11:00 AM MDT. I would like to offer the following program details as proof of this reception:

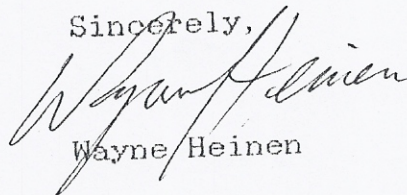

- 10:50 AM Tune into Kids music on Childrens Sattelite Network "Radio Ahhs"
- 10:52 AM What's New Movie Review by TomicaH(?)
Movie reviewed was "In the Army Now"
- 10:54 AM Mention of "On Kid radio 1340" and back to the network
- 11:00 AM ID as Radio Ahhs and Storytime on thje network

The reason for this report is obviously to add the KKYD call to my verification collection. I have heard mixed reviews of the performance of the Radio Ahhs format. A recent article out of Springfield MO said that station was definately losing money on it.

Equipment in use while listening to KKYD consisted of a R-390A/URR Army surplus receiver with a 4' box loop antenna. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply.

If my report is found correct I'd appreciate a verification from KKYD to add to my collection from over 1500 BCB stations. Thank You in advance for your time and consideration in answering this report and helping me with my hobby.

Sincerely,

Wayne Heinen
