Dear Sir,

I am very pleased to report reception of KLDL on 1090 khz on 10-22-81 from 12:14pm- 12:22pm MLT. I am reporting KLDL in order to add your call to my collection. Lately I've lost a few calls in the front range area so I've decided to try and get all of my unverified locals on my log. As proof of this reception I would like to offer the following program details:

12:14pm Song "I know a heart ache when I see one"
12:16pm Time Check by the DJ Keith Rieker and old Rock n Roll song.
12:19pm Time Check Bobby Darin song on Ten-Ninety KLDL
12:21pm Spot: Leo Payne's Jeep Center, 380 Wadsworth in Lakewood
12:22pm SPOT; Tally & Sons Super Foods, 5300 Sheridan Blvd. and song Cherish by the Association.

KLDL was heard on a WWII Navy surplus receiver with a 15" ferrite core loop antenna. I'm located 6 blocks east of I-25 near the Uintah Exit on the north side of Colorado Springs. I am looking forward to trying for your night operation when it hits the air.

For your info I am a real estate appraiser here in the Springs and have verified over 900 stations on the BCB. (amongst them is the previous 1090 call in Denver KAAT). I am enclosing return postage to facillitate your reply and a brochure about the BCB DX ing hobby and the National Radio Club of which I'm a member. I would very much appreciate a verification from KLDL radio to add to my collection.

Thanks in advance for your time and consideration in anwsering this report and helping me with my hobby.

Sincerely,

Wayne Heinen
