Dear Mr. Boulware,

I am very pleased to report reception of Stapleton Travelers Radio on December 22, 1985 on 530 kHz between 8:19 PM and 8:22 PM MST. Your signal was good. I would like to offer the following program details as proof of this reception:

- 8:19 PM Tune in to end of tape report tape will be repeated or call 398-CARS to hear it. This is Stapleton Travelers Radio followed by morse code...
- 8:20 PM "This is Stapleton Traveler's Radio a service of Stapleton Int'l Airport a Division of the City of Denver Public works
- 8:21 PM Tape began by listing full parking lots & those closed vs. lots with parking and still open.....
- 8:22 PM Tune out

I heard your signal on a R-390A/URR Army surplus receiver with a 4' box loop antenna. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed a prepared verification card for your convenience in replying.

If my report is found correct I'd appreciate it if you would sign and stamp the enclosed prepared verification card and return it to me. The card is already stamped with the appropriate amount. Thank You in advance for your time and consideration in answering this report and helping me with my hobby.
